

2016 Voucher Program for Tenants

Our Voucher Program is very popular with tenants and their employees.

When a building hosts a flu clinic, the tenants can take advantage of our Voucher Program. They can use customized vouchers at your building clinic or any of our other public clinic locations and we will bill the employer at the end of the Flu Season for all vouchers used by their employees.

If tenants wish to receive a customized voucher form for their employees, they can fill out this form and fax to 303-374-8656 or scan and send an e-mail to:
